What the BBB has done to consumers for over 100 years is one of the many reasons why Ripoff Report was created.

BBB: What consumers need to know

20/20 exposes the real BBB

EDITOR'S COMMENT: Ripoff Report strongly believes in the First Amendment, especially when consumers are truthfully warning other consumers about potential frauds, scams, rip-offs or the like by shady individuals or businesses. Ripoff Report is by consumers, for consumers...and we want to keep it that way! Unfortunately this Report was posted and, upon additional information, appears to have been primarily for the purpose of bullying or harassment. In many instances Ripoff Report will reach out to the author of the Report to obtain further information. In other instances, enough information is provided to Ripoff Report to warrant redactions without reaching out to the author. Ripoff Report is working to combat tactics that are perceived to be cyberharassment, cyberstalking, cyberbullying and/or what is generally considered a "revenge post" as we do not condone such behavior.

The Report was brought to our attention and, upon review of compiled information (which will be done on a case by case basis without any obligation as resources allow), and at Ripoff Report's sole discretion, information that did not conform to current policies and/or the identifying information relating to the individual(s) and/or business(es) named in this "Report" and any subsequent comments thereto have been editorially redacted as indicated by the following "(((REDACTED)))" or "(((REDACTED DUE TO PERCEIVED HARASSMENT / REVENGE POST)))".

CONSUMERS: Be kind. Keep it honest. Keep it fair. Stick to the facts. Do your research. Keep the dirty laundry in the laundry hamper...not on Ripoff Report.

PLEASED TO SEE SUCH EFFORTS? YOU CAN HELP RIPOFF REPORT COMBAT THESE TYPES OF ISSUES: Ripoff Report, as resources allow, is working towards combatting Cyberharassment, Cyberstalking, Cyberbullying and/or other problems such as what is generically called "revenge posts" that can be riddled with personal commentary and/or allegations that can be serious. Ripoff Report would love to be able to timely address each and every review request we receive, however, this takes resources. NOW TO THE EDITORIALY REDACTED POSTING(S):

(((REDACTED)))

I do not recommend **(((REDACTED)))**.

Absolutely the worst experience. I got sucked in during the typical 150.00 interview. After plunking down 20k then another 20k I realized **(((REDACTED)))** did not have have a clue to what he was doing. He liked to chit chat on the phone a lot and bill thousands of dollars each week but never did what he said he was going to do. He would then talk about the same issues the next week and bill all over again. As I researched a bit deeper I found more complaints on **(((REDACTED)))** and his firm **(((REDACTED)))**, Ultimately i started questioning his billing and **(((REDACTED)))** headed for the hills. My review here is a warning to stay as far away from this firm as possible. Check around and call someone else that actually knows what they are doing..

(((REDACTED))) as defamation attorney claims on his website he is a specialist at removing ripoffreport postings.

Lets see just how good (((REDACTED))) is. If you see this report gone then I guess there is some truth to the attorney (((REDACTED))) claims.

He made promises and took money however all reports remain.
